Why did I receive this summons?

Your name was randomly selected, based on driver's license records, state ID records and voting records from the state of Michigan. Jurors serving in the Port Huron Division of the U. S. District Court for the Eastern District of Michigan are selected from the following counties: Macomb, Oakland, St. Clair, Sanilac and Wayne.

How long will I serve?

Petit (trial) jurors are **on call for a two week period** in the Port Huron Division. This **does not mean** that you will appear every day during those two weeks. The period of service begins on the date listed on the enclosed summons form. If you are selected as a juror for a trial, please be aware that most trials at the Federal Court range from four to seven days in length.
