U.S. DIST. COURT CLERK
EAST. DIST. MICHIGAN
DETROIT

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN

In re: E.D. Mich, LR 26.2, Filing
Discovery Material

Administrative Order

No. 08-AO- 047

ADMINISTRATIVE ORDER

At its meeting on March 3, 2008, the Court approved proposed amendments to E.D. Mich. LR 26.2, effective April 1, 2008.

It has been brought to the Court's attention that LR 26.2 as approved does not refer to the Court's long-standing prohibition of filing discovery material being extended to include the certificates of service for filing discovery material. Certificates of service for discovery material were referenced in the proposed amendments to LR 26.2(a) which were published for comment. Through an administrative error, this reference was deleted when presented to the Court for approval.

At its meeting on October 7, 2008, the Court approved corrected amendments to LR 26.2(a) *nunc pro tunc* to April 1, 2008:

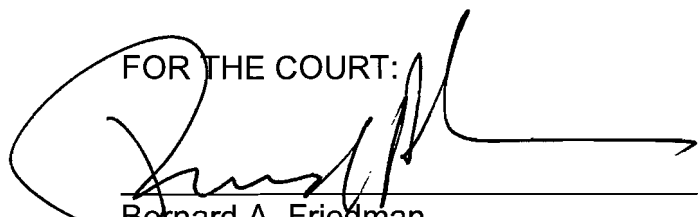

(a) A party or other person may not file discovery material specified in Fed.R.Civ.P. 5(d)(1) and certificates of service for such discovery material except:

NOW, THEREFORE, IT IS ORDERED THAT the Clerk is directed to correct the text of E.D. Mich.LR 26.2(a) to read as shown above.

IT IS FURTHER ORDERED THAT the Clerk is directed to post notice of this amendment along with this Administrative Order on the Court's website and to notify all registered filing users in the Court's CM/ECF system via blast email.

IT IS ORDERED.

FOR THE COURT:
