**The Mission of the Court:**

The United States Courts are an independent, national judiciary providing fair and impartial justice within the jurisdiction conferred by the Constitution and Congress. As an equal branch of government, the federal judiciary preserves and enhances its core values as the courts meet changing national and local needs.

**Chambers' role in the Mission of the Court:**

We view our Chambers as a Court family, consisting of the Judge, Case Manager, two Law Clerks, and any judicial interns who may be temporarily on duty. We work closely together as a team, committed to a shared set of values that focuses on administering justice in a fair, impartial, and efficient manner. We view our mission as one of providing service to the public, the attorneys, the parties, the witnesses and the victims. Within Chambers, we work as colleagues toward this common goal in an environment that encourages communication, dialogue, discussion, and mutual assistance. And we try to have fun and make friendships along the way.

**The Law Clerk Position:**

Our Chambers is currently seeking applications for one full time Law Clerk position, for appointment to a term of a minimum of two years, beginning in September 2023. The position entails substantial legal research and writing, and with a docket that primarily consists of Social Security appeals, prisoner civil rights filings and general civil motion practice.

The selected law clerk will be responsible for tracking pending motions and managing his or her individual dockets assignments so that draft orders and draft reports and recommendations are presented to the judge in a timely fashion. Applicants should expect to work beyond normal work hours as necessary to complete assignments and should expect periods of significant busyness.

The selected law clerk should be able to work independently, but to also work well with other members of the chambers family. The selected law clerk must be a team-player who will contribute to the overall administration of the chambers.

We value the diversity of experiences and backgrounds represented by members of our staff and look forward to learning what applicants can contribute to the chambers family beyond legal experience.
