ELECTION DAY AFTER-HOURS FILINGS

The Electronic Case Filing (ECF) System is available 24 hours per day, 7 days per week. During non-business hours, a person filing documents electronically that require immediate attention by the Court is directed to call the United States Marshals Service Control Center at 313-234-5656 **AFTER** the documents have been filed. Control Center personnel will contact the appropriate Court staff for handling.

The Control Center is normally staffed 7 days per week, 24 hours per day. However, it may be left unattended for short periods of time and the caller may get voicemail. If so, the caller should leave a message and clearly state the reason for the call, including as much specific information as possible, and a telephone number where they can be reached. Voicemail messages will be returned promptly.
