NORTHERN DIVISION CIVIL CASE FILINGS

The United States District Court for the Eastern District of Michigan has identified a current disparity in the average number of civil case filings between the Northern Division and the judges in the Southern Division.

Effective July 1, 2017 and pursuant to Administrative Order 17-AO-009, the Court has temporarily suspended LR 83.11(a)(2) regarding assignment of civil cases to judges.

This order was entered in an effort to address the disparity by distributing the Northern Division civil case filings among all active judges and volunteer senior judges within the Eastern District of Michigan for a trial period of one year.
