

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN

Re: Mandatory Electronic Submission
of Criminal Justice Act (CJA) Payment
Vouchers

Administrative Order

No. 16-AD-012

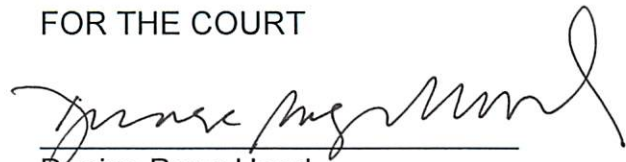

ADMINISTRATIVE ORDER

In May 2015, the Administrative Office of the United States Courts advised the Eastern District of Michigan that it had been identified to begin implementation of the CJA eVoucher Processing System. An Ad Hoc Committee was formed to discuss and recommend to the Court a position on various policy issues associated with the implementation of the new system.

At its regular meeting on March 7, 2016, the Court approved the mandatory use of the electronic payment system for all CJA vouchers submitted for payment. The CJA eVoucher system is a web-based electronic preparation and submission system adopted by the United States District Court for the Eastern District of Michigan.

NOW THEREFORE IT IS ORDERED that all CJA panel attorneys and CJA service providers must register with the Clerk of the Court to obtain mandatory user training and login information.
