

**NOTICE: NEW SEALED PETITION FOR
RESTITUTION PAYEE NAME CHANGE FORM**

The Court has authorized a new form for payees receiving court ordered restitution payments who need to request a name change. Effective immediately, the Sealed Petition for Restitution Payee Name Change form replaces any prior procedure for requesting payee name changes. The form includes a proposed sealed order and is designed to streamline the process for obtaining the court order required to change the payee's name listed in the Judgment and Commitment Order.

The form must be completed by any restitution payee whose name will differ from the name listed in the judgment. This may include legal name changes due to marriage, divorce, court order, assignment of victim's rights, death of the victim, merger or similar transactions, or other lawful reasons.

It is available [here](#) or you can request a copy. To request a copy or if you have any questions regarding this notice, please contact the Financial Department at (313) 234-5070 or Financial_Restitution@mied.uscourts.gov.
